Location / Entity:
Louisville Metro Housing Authority (LMHA)
420 South Eighth Street
Louisville, KY 40203

Louisville Metro Housing Authority (LMHA) failed to uphold ADA, Section 504, 1915c, Olmstead Act, VAWA, and Mainstream Voucher protections while managing my federally funded Mainstream Voucher.

Complaint:

LMHA failed to uphold ADA, Section 504, 1915c, Olmstead Act, VAWA, and Mainstream Voucher protections while managing my federally funded Mainstream Voucher.

LMHA ignored my physicians' documentation confirming that displacement would cause medical crises — and it has — and instead allowed my voucher/lease to be terminated without cause.

LMHA actively blocked the transfer/port of my voucher to Indiana without due process.

LMHA repeatedly refused to respond to ongoing written ADA accommodation requests, refused to coordinate with federal oversight agencies, and knowingly allowed housing discrimination to continue — and even actively supported it — despite multiple complaints filed through LMHA, HUD, FHEO, and PIH.

As a result, I remain displaced, medically vulnerable, and my condition has worsened due to ongoing retaliation and discrimination. I am requesting urgent federal help.

This complaint is part of a broader pattern of systemic discrimination, retaliation, and obstruction spanning multiple agencies and housing authorities across both Kentucky and Indiana. I am a federally protected individual under the ADA, Section 504, VAWA, 1915(c), and Olmstead, and my dependent child is also covered under these protections.

Despite continuous notice to HUD, FHEO, PIH, IN-HUD, KY-HUD, IHCD, LMHA, CASI, CHFS, and the Governors’ Offices in IN and KY, the discrimination and retaliation continue, leaving me and my child medically endangered and without stable housing.

I am requesting:

Immediate federal intervention

Emergency reinstatement of housing protections

Immediate enforcement of ADA Accommodations and VAWA protections and Olmstead protections, referral to victim services in Indiana and Kentucky, law enforcement intervention to assist in preventing further retaliaton, and to enforce and uphold law at the local and federal levels.

Immediate reimbursement for all costs associated with displacement, tampering, etc... over \$10,000...

Immediate safe housing temporary until we can utilize the housing voucher that continues to be obstructed.

Immediate disciplinary and legal action against Station J-Town aka New Chestnut Ridge Apartments, LLC managed by Vida-Management (Teresa Ramon and Lauren Stallings) with counsel Andrew Zeh, owned by Beitel.

Enforcement of all applicable ADA and fair housing provisions to ensure our safety and survival.

Grand jury involvement to investigate the retaliation we’ve endured, including obstruction of medically necessary life-preserving care (copper, iron, B1, B2, B3, vitamin C, and NAD+ infusions — all medically necessary and all denied)

Intervention to allow second opinions and further workup regarding new spinal tumors and cerebral/central hypometabolism (consistent with frontotemporal dementia). Also investigation into why UK is denying release of ALL records associated with me or my child and why UK would have any of my child's educational records to begin with.

Immediate investigation into warrantless, baseless, surveillance and cyber-espionage that has been utilized by authority powers to obstruct federal litigation in 4 federal circuits at district and appellate levels in the 2nd, 6th, 9th, and DC Circuits.

Time saved is brain saved — I need help to prevent further severe irreparable damage and/or death. One provider involved in the retaliation is Dr. Jicha at UK Clinic in Lexington, who has attempted to pathologize documented brain hypometabolism as psychiatric — which neither medical literature nor my clinical picture supports. That too requires immediate intervention and grand jury involvement. Substantive response is required urgently for this and all other complaints
